

## Rosy scents

There is nothing more romantic than the scent of roses in the room. True Grace's Curious Rose Absolute is all about handfuls of petals gathered after the rain. Placing this in your home will surely fill it with the fragrance of love and warmth, exuding calmness and grace.

## Rocks by the river

Insidherland's Three Rocks table is based on an autumnal lake that the founders of Insidherland once chanced upon. The faceted surfaces and the patterns of leaves reflect the imagery of fallen leaves resting on rocks that rest in the centre of the lake. The Three Rocks table is a continuation of that magical place, and will continue to bring that imagery to all those that look upon it.
