AFFAIR
Lotus Arts de Vivre and Adventure & Leisure
wine tasting session

Thai based Asian luxury house Lotus Arts de Vivre collaborated with wine distributor Adventure & Leisure to an evening of wine tasting and lifestyle appreciation. Guests were served with a selection of premium quality wines provided by Adventure & Leisure paired with the appropriate cuisine while Lotus Arts introduced its new home and décor, jewellery, accessories and co-creations with artists to the guests. And what better way to showcase the pieces than having a model wear and parade them to the guests. Many were enthralled and admired the beautiful pieces intently while they sip on their wines and nibble on their cheeses. It was indeed a glamorous soirée that engaged all senses. ❖
