Maison Francis Kurkdjian Baccarat Rouge 540

By JASON LIM

A delicate, precious fragrance deserves a delicate and precious home, and Maison Francis Kurkdjian's Baccarat Rouge 540 has exactly that. Just 250 bottles were made in celebration of Baccarat's 250th birthday. The number 540 is a nod to the temperature required to achieve the reddish hue of Baccarat crystal.

Baccarat Rouge 540 is a flowery, woody fragrance, with citrusy top notes, hedione molecule, sage, lavender and saffron at its heart, and a base of white oak moss, ambergris and ancient woods.

This limited-edition eau de parfum retails at US\$4,000 (RM18,000) for 100ml. www.franciskurkdjian.com
