

SMALL SURPRISES

Take on the world with these masculine must-haves.

OFF THE CUFF

From the purveyors of equestrian elegance comes a new accessory that will surely delight fans of simple, understated style. Designed by **Hermès** using supple Barénia calfskin paired with palladium-coated brushed metal, this masculine statement piece resembles that of decorative horse browbands often seen during dressage events.

THE WORLD AT YOUR WRIST

This latest addition to **Montblanc's** coveted *Vasco da Gama Heritage Chronométrie* collection, which pays tribute to the greatest seafarer in the world, comprises limited edition ceramic bead cufflinks. Hand-painted by porcelain artisans, each intricate design includes a world map located at the base. Available in either gold or rose gold, each exclusive pair comes with a specially designed box, complete with a customisable plaque that can be etched with the name of the owner.

SUBLIME LIME

Refreshing and zesty, the *West Indian Limes* collection from **Truefitt & Hill** is sure to invigorate the senses. Comprising of bath gel, aftershave, cologne and shaving cream foam, this collection features a refreshing citrus blend enhanced by notes of orange blossom, lilac and rose, topped off with an oakmoss finish.
