

MAN IN THE LIMELIGHT

A select band of Citigold account holders recently enjoyed a fine grooming service and experience by Truefitt & Hill at the JW Marriott Hotel in Kuala Lumpur. Managing Director of Bakhache Luxuries Antoine Bakhache welcomed the guests, who were then invited to experience the wet towel shave and haircut at the warmly decorated, traditional English barbershop.

FLYING HIGH

The opening ceremony of the world's first Absolut brand store took place recently at the Contact Pier in the main terminal building of the Kuala Lumpur International Airport. Officiating the event was Chairman and CEO of Pernod Ricard Asia, Pierre Coppéré, who hosted cobalt blue-attired guests with five Malaysian-inspired cocktails – calamansi, ginger lime, chilli and pom-rose – all created from ABSOLUT Hibiskus, the first flora-flavoured vodka to hit Malaysian shores.
