The House of an Artist

He knows how to talk about perfume like no other, using images that speak to everyone. Born an artist, Francis Kurkdjian became a perfumer.

His brilliant career started out 20 years ago. Recognized as one of the most celebrated perfumers of our time, he has created more than 40 world famous perfumes for fashion houses such as Jean Paul Gaultier, Narciso Rodriguez, Armani, Dior, Lanvin, Givenchy or Yves Saint Laurent.

Maison Francis Kurkdjian is a contemporary luxury fragrance house founded in 2009. It is a free expression conceived in the pure tradition of the finest French perfumery, a territory of a sensual, delicate perfectionism.

Perfume as a work of art is a
transmitted expression of Intimacy
